

# Jester Books and Parties

As Of the First of  
**March**  
**2008**

## Only information supplied by court members is listed here

If you detect any errors or omissions, or wish to have your Book or Party listed, please let me know.

A new list will be released each month. I suggest that you save this e-mail for future reference. In my experience, it is not worth the time, effort, paper or ink to print this out.

**BUT --- If you do print, please note that you must set your margins to 0.5" Left and 0.5" Right, or print in landscape mode. The chart is 7.29" wide.**
